LAPTOP DONATIONS

ARE YOU UPGRADING YOUR TECHNOLOGY THIS YEAR?

Our Back to School Program may be currently closed, but the need hasn't stopped.

Due to overwhelming demand, we now have a large waitlist of disadvantaged students still in need of laptops for 2026/2027.

If you're upgrading your tech or clearing out devices, please consider donating refurbished or unused laptops to support students doing it tough.

- What We Need: Laptops manufactured from 2022 onwards, with current Windows capabilities.
- Why Donate? Your old device could be the key to helping a young person stay connected to school, complete their assignments, and build a better future.

📩 Reach out to us at backtoschool@ltfoundation.au

Help us keep young people learning and dreaming big in 2027. Scan the QR code to find out more about the work we do.

If you don't have a laptop to donate but would still like to help, a $300 donation allows us to provide a fully refurbished laptop to a child in need, set up and ready to use.
