LAPTOP DONATIONS

WWW.LTFOUNDATION.AU

Our Back to School Program is in full swing, and we need your help to ensure young people have the tools to thrive in the classroom.

We're seeking refurbished or unused laptops and tablets to support students in need. These devices are more than just technology—they're the keys to unlocking brighter futures! We currently have over 100 students on the waitlist.

- ◆ What We Need: Laptops manufactured from 2021 onwards with current Windows capabilities.
- ◆ Why Donate? Your contribution ensures that students have the technology they need to stay engaged in school and create positive futures. Every device donated helps level the playing field and gives young people equal opportunities to succeed.

If you or someone you know has a spare device, please reach out to us at backtoschool@ltfoundation.au
